

## *The San Luis Obispo County Community FireSafe Council*

Presents

# FireScaping Seminar

*Fire is inevitable in California's landscape – life and structure loss doesn't have to be!*

*Friday, October 14, 2005*

*9:00 A.M. to 4:00 P.M.*

*San Luis Obispo Veteran's Building  
801 Grand Ave, San Luis Obispo*

Join the San Luis Obispo County Community FireSafe Council and Douglas Kent, the author of *FireScaping*, for a *free* seminar on creating fire-resistant landscapes, gardens, and properties in California's diverse environments. Covered subjects include: basic fire behavior, basic structural ignitability, brush clearance ordinances, FireScaping zone theory, plant selection, irrigation, maintenance and tree selection under utilities.

### **Target Audience:**

Fire prevention officers, landscape architects, landscapers, nursery operators, and realtors are encouraged to participate in this seminar. There will be a certificate of completion awarded at the end of the seminar.

### **Space is limited so sign up early!**
